College Clothes Without A Yell

Painless extracting the Rah! Rah! from College Clothes is merely a matter of cutting out the freak ideas under the soothing influence of good taste, substituting genuine smartness and plenty of the spirit of youth, with a soupcon of daring, then stitching in the "frat" label of good dressing.

"Wertheimer's" Correct Clothes

for Men and Young Men

Simple, isn't it?--and the operation is a complete success, to which the models for Young Men bear vital style breathing witness.

GEORGE COACH MORROW CAPT. BOWMAN

Coach Morrow—He had an uphill fight but the boys produced.

Capt. Bowman, an all around fellow who sets an example for the others.

George, Quarterback. You can't call this infant yellow. Boys, he is there!

AS TYLER WILL LINE UP TODAY

This bunch of players will undoubtedly produce several college players.
