### Greeting :

The Church Stewards take great pleasure in presenting to you their annual statement of the financial condition of the church for the years 1911 and 1912. This statement shows the amounts received for various purposes during the year and how they have been applied. This is the honor roll of the church, and we are glad to have your name on this roll as one of our contributors whose offerings have made possible the statement which we present. If your name is not on this roll we would be glad to have it there next year.
