Terra Alta, W. Va., July, 1930

Dear Friend:

Your old home town is going to put on its second Annual "Homecoming" celebration August 14th—15th—16th. This celebration is sponsored by the local Volunteer Fire Department.

The West Virginia Volunteer Firemen will hold their convention in Terra Alta at this time. Several fire companies with their families and bands will be present.

These three days will be filled with joyous merry-making. Every hour of every day will be filled with interesting entertainment. We want you to come back home and bring your family, meet and greet old friends and make a lot of new ones. Make this the time of your annual vacation.

This, therefore, is to extend to you and your family a most hearty welcome to attend one of the greatest homecoming celebrations ever held in Preston County.

Sincerely,

Invitation Committee
