NOTE:—A circular letter was sent to all the coal companies listed at the addresses given, asking them to verify company names, names and numbers of mines, and post-office addresses. Numerous changes have been made in these items as submitted by Mr. Robt. M. Lambie, Chief of the State Department of Mines, and the companies whose letters were returned have been dropped from the list. It has been assumed that the information published concerning those companies which did not reply is correct. The list has been rearranged from alphabetic order to alphabetic order by counties.
