## A Startling Sign,

but a necessary reminder, to be careful when dangerous Drugs are handled.

All our Poisons are kept in a closet separate from all other Drugs, and the fact that it has to be looked into well when any are taken out reminds us to be extra careful in getting the right article, and in measuring or weighing it. It also reminds us to record your purchase in our Poison Register, as required by law, and see that the skull and cross-bones are put on your bottle or package.

No chance for absent-mindedness at our Poison Closet, and you can always rest assured that your orders or prescriptions will be correctly and carefully put up by competent, Registered Pharmacists. We have filled over 83,000 prescriptions. Shouldn't that give us experience? Try us.

## A Good Atomizer

is about what you need for perfect comfort and convenience, and the only reason you haven't got one is because you are thinking of what they used to cost instead of what they now cost at OUR Store. One is needed by every person who is afflicted with hay fever, catarrhal troubles, etc. Prices from 50 cents to \$1.50.

## Fountain and Bulb Syringes

are something that are needed in every household. We have them—all varieties and makes—at prices ranging from 50 cents to \$2.00.

## Hot Water and Ice Bags

are also a regular part of our stock.—  
Call and look them over at

THE LEWISBURG DRUG STORE.

The Finest Animals you ever saw  
are our

## Bath Sponges.

What! You don't believe that statement about Sponges being animals? It's a fact, however, but harder to explain than the fineness and good quality of the Sponges in our stock. There is no question on these points. You can see for yourself, and what you can't see we will explain. We will explain why

25 cents to \$1.00

will purchase good, better and best Bath Sponges. We also have them for cleaning buggies, &c., and for other rough uses.

## Chamois Skins

are things we have plenty of, and at prices to suit any taste. Let us show them to you. We have the time to do so at

THE LEWISBURG DRUG STORE.

## Tooth Saving

is a practice that too many people wish they had begun earlier. There should be more tooth-brushing and preserving than there is, and to encourage these practices we make the

**BORO-MYRRHINE TOOTH WASH,**  
an antiseptic tooth wash, mouth cleaner and breath perfumer. It costs only 25 cents a bottle—so cheap that you can fairly be extravagant in its use. We also make and recommend

**A. L. AUSTIN'S ROSE PEARL  
TOOTH POWDER,**

to be used at night, two or three times weekly, while the Boro-Myrrhine is to be used daily after breakfast.

**TOOTH BRUSHES**—Good, 15 cts.; better than you expect, 25 cts.; best, 35 and 50 cts.

Without **GOOD TEETH** there can be no thorough  
**MASTICATION.**

Without thorough mastication there cannot be perfect  
**DIGESTION.**

Without perfect digestion there cannot be proper  
**ASSIMILATION.**

Without proper assimilation there cannot be  
**NUTRITION.**

Without nutrition there cannot be  
**HEALTH.**

Without health what is  
**LIFE?**

Hence the paramount importance of the teeth.

## OUR PLEASANT DEPARTMENT

extends over our whole Store, of course, but our EXTRA Pleasant Department is the part devoted to

### Perfumes.

The next time you call let us show you over our stock of Perfumes, and we are sure you will find something there to suit both your taste and your pocket-book. Let us put a drop or two on your handkerchief.

### There are Soaps and Soaps.

All look pretty much alike, but they are not—some too acid, some alkaline, some hardly soap at all.

Now, we don't make Soaps, but we do buy the best on the market and know it is the best when we buy it. We have it at all prices and in all qualities and quantities, and will be pleased to show it to you.

THE LEWISBURG DRUG STORE.

Every one knows that we have been  
carrying a line of

## Sterling Silverware, Cut-Glass and Fancy Table-ware.

Well, we shall continue to deal in these things. All you have to do is to call and look our line over, and we are sure you will find something to please you. We have it from the cheapest to that to suit the most elaborate tastes.—

All we ask is a thorough and careful inspection.

which are wasted in using poor

## Hair Brushes and Combs,

and then ask yourself if there isn't a great deal to be Saved by buying these Articles from US. It will be a pleasure to you to see how our Goods will last and wear, and it will be a pleasure to us to show them to you. We have some New Goods in this line that we are proud of. Don't pass us by—drop in

THE LEWISBURG DRUG STORE.

## Glycamon Hair Tonic

is not at all similar to the great Indian remedy for "raising" or restoring the Hair. But still we both start at the roots.

It is a Scientific Compound, made of those drugs usually prescribed as stimulants for the dormant hair follicles. Our recommendation of it is based upon our knowledge of it as a physician and druggist, and its use by prominent persons.

It is put up in extra large bottles and costs only 50 cents at

**THE LEWISBURG DRUG STORE.**

## If Your House Needs Painting

Our Paint will be cheaper for you now than it will be next year. This is not because the price is going to advance, but because it will take more Paint.— The wood will later become more absorbent and it will require more oil to fill the pores.

PAINTING is really an Economy. It is a greater economy if you buy the Paint from Us. The

Celebrated B. P. S. PAINTS,

for which we are SOLE agents, APPARENTLY costs a little more, but it REALLY don't. One gallon covers 400 sq. ft. two coats, lasts longer and is easier to handle. This is what makes it the BEST and CHEAPEST Paint made to-day.

Prices from \$1.50 to \$2.00 per gallon.

We also deal in VARNISHES, OILS, and Painters' SUPPLIES. Let us furnish your Paints, &c.

THE LEWISBURG DRUG STORE.

## Our supply of Patent Medicines

is as large as that carried by most City Drug Stores, and we believe we have in stock most anything you may wish. If we don't happen to carry it, or are out of it, we will order it for you

AT THE USUAL PRICE AND IN THE  
SHORTEST TIME.

Our stock is strictly up-to-date. We have no hold-overs, or old goods—everything fresh, as we get a new supply weekly

Think of what you need and get it at  
THE LEWISBURG DRUG STORE.

## The Candies, Nuts, &c.,

that we keep is the kind that People want for Special Occasions, when there is an earnest desire to Please Somebody.

We buy our CONFECTIONERY with this in mind. Our Mixed CANDIES and NUTS will please you.

We always have on hand a full supply of LOWNEY'S. Also Chewing Gums. Preserved Fruits, &c.

You will find plenty of "dainty morsels for dainty mouths" at

THE LEWISBURG DRUG STORE.

## “How do You Feel?”

After this usual question there is another—“What do you use for your Aches and Pains, Rheumatism, Bruises, &c., that stiffness, soreness and general dilapidation that comes from too much of any exercise?” The answer should be:

“MENTHOPENA” LINIMENT,

made by us, put up in 8-ounce bottles, and sold for 40 cents—usually 50 cents. More of it for less money than any other kind, and just as good. Try it at

THE LEWISBURG DRUG STORE.

We have to be Careful in buying DRUGS,  
and this makes us just as  
Careful in buying

## Cigars and Tobaccos.

We sell on close "margins." Our  
5-cent Cigars cost us enough to tempt  
us to sell them at 10 cents; but it isn't  
quite as good and we do not pay as much  
for it as for our 10-cent goods. We  
draw a bigger trade by selling them for  
5 cents. We have the

Biggest stock of CIGARS ever here  
and we are after the trade. Drop in  
and be convinced. We keep all the  
popular brands of

## Smoking and Chewing Tobaccos,

and have the only REALLY FINE line of  
PIPES, POUCHES, &c., ever shown  
here. Prices from 5 cents to \$10.00.—  
Come and see them at

THE LEWISBURG DRUG STORE.

## Thorns with Roses

are like the handsome face with blemishes. Nature never intended spots, freckles, &c. They are simply mistakes that need correction. Our

## Compound Benzoïn Lotion

contains just what many specialists recommend most. It will correct most of these mistakes, cure chapped and rough hands and face, and give a fair, healthy skin.

Price only 25 cents a bottle, at

THE LEWISBURG DRUG STORE.

No Trick about  
Compound White Pine and  
Wild Cherry Elixer

except that it helps a Cough. No magic about it except in the selection of the right drugs to help those coughs which are dry and irritating with little expectoration, as well as the moist and troublesome ones. It has some things in it that quiet those "nervous" coughs—the kind that seem useless except to worry other people and do the sufferer no good. It helps this kind of a cough wonder jully—loosens it up and quiets the nerves.

A 4-ounce bottle of it costs only 25 cents—more Cough Medicine than is usually sold for this price. Prepared and sold only by

THE LEWISBURG DRUG STORE.

## In Conclusion,

We will say that we do not believe we are boasting when we assert that we have the

### NICEST STORE IN THIS SECTION OF THE STATE,

and as full and complete a stock of Goods in our line as can be found in most cities.

We employ only the most polite and competent clerks, and it is always our pleasure to SHOW our Goods whether you buy or not.

Our stock of DRUGS is always fresh and of the best quality we can buy.

We cater to the country trade particularly. So don't fail to call around and look our Store room over when you come to town.

Yours for business,
