## Fruit and Ornamental Trees,

FINE GREENHOUSE, DECORATIVE AND VEGETABLE PLANTS,

Grown and for sale at

**THE OHIO VALLEY NURSERIES**

MOUNDSVILLE, W. VA.

The following is but a very small list of what we grow—just merely to make a price and name the most valuable trees and plants at the following prices. We will deliver free to your nearest express or freight office as follows: All orders amounting to \$10 and over for Nursery stock, and all orders amounting to \$5 and over for Flowers. Our stock is grown by us and we sell our stock direct to the planters or local agents, therefore we are safe in saying our stock is true to label and you will receive the same in good condition. This is a matter for you to consider, as you will pay an agent twice the price that we are asking you for the same trees, and if you are swindled by a traveling agent you are at the end of your string.

Small plants by mail, post paid, at the following prices: 50 at 100 rates, 500 at 1000 rates. Send us an order, or come and inspect our stock for yourself. This is a fine offer to you.

TERMS—Cash with order, by remittance of draft, P. O. money order, or registered letter.

Everybody is buying Miller & Son's Fruits and Flowers, because they are of good value and prices are in reach of all.
