## HOW TO SEND VOUCHERS

**Send all Vouchers to The Mail Pouch Tobacco Co., Wheeling, W. Va.**

Postage or Express charges must be fully prepaid.

Write your own name and address plainly on the outside of the package. Unless you do this we will not know from whom the Vouchers came. We are not responsible for packages of Vouchers sent in without the sender's name or address appearing on the package.

If Vouchers are sent by mail, enclosing writing with them, or sealing the package, or otherwise closing it against inspection by Postal Authorities, makes it first-class mail, the rate of which is two cents per ounce, or fractional part thereof. Please note this, and avoid our having to call your attention to "Postage Due" on your package.

If you send your package by Express, you are allowed to enclose a letter with the Vouchers. All large and valuable packages should be sent by Express prepaid. If express is inconvenient, then send them by registered mail. If a package sent by ordinary mail is lost, there is no way to trace it or to recover its value.

Articles will be sent out as quickly as possible after receipt of Vouchers. Do not be impatient if it does not reach you by return carrier, as it may happen that your package of Vouchers cannot be reached for a few days, or there may not be a supply of the particular article desired in stock at the time your Vouchers are received.

**I**N exchange for the required number of "VOUCHERS" we will mail, postpaid, to any address in the United States the articles illustrated in this Catalogue excepting those large articles which are marked with a star (\*); they cannot be sent by mail and will be shipped by freight or express direct from the Manufacturers (transportation charges to be paid by you) to any railroad point in the United States other than a Prepaid Station. When ordering be sure to state to what point you wish the articles shipped. To protect yourself against loss in mail of article ordered, accompany your order with three cents postage for insurance.

To avoid error when ordering, be sure and give the number as well as the full name of article wanted. Read the instructions on opposite page.

Our offer of redemption of Vouchers is subject to but one condition, viz.:—Should any Federal or State law or laws be adopted whereby all or any issued Vouchers cannot be lawfully redeemed, such Vouchers will not be redeemed.
